Our Invitation

We most cordially invite everyone interested in good livestock to attend the Southwest Iowa Shorthorn Show and Sale of 1972.

The herd bulls are up to our usual high standards. A majority of these are of serviceable age and ready to use. There is much new breeding for the buyers of former years. Their blood lines are the most popular of the times. The bulls are the kind that will breed deep bodies and natural thickness on their calves.

The females represent the best blood lines and the most approved types always offered at Red Oak. They are and will be great beef cows that will safely contribute their half to the inheritance of superior beef calves.

We would like you to know the consignors. We urge you to study the pedigrees and footnotes in this catalog, all of which will confirm the rich breeding, the outstanding records and individual excellence of their offerings. We feel that you can end your search for the best in Shorthorns—right here. Southwest Iowa breeders possess some of the most outstanding herd bull sires in the state of Iowa.

You will enjoy being with us in Red Oak on Thursday, March 16. We will be happy to have you and will endeavor to make the day a pleasant, interesting and profitable one.

SOUTHWEST IOWA SHORTHORN BREEDERS' ASSOCIATION

BERNIE BOLTON, President

ARTHUR H. WINDOM, Sec'y & Sale Mgr.
